To Whom It May Concern,

It is with great pleasure that I write a letter of recommendation for Patti Brainard. My fiancée and I were first referred to Patti by a relocation service which matches newly graduated physicians with reputable realtors in the areas where they are moving. When we first met Patti we were immediately impressed with her professionalism, work ethic, extensive knowledge of the Cambridge area, and her very pleasant demeanor. It was readily apparent that we were in the hands of an extremely capable and experienced realtor who we could trust.

Throughout the entire process, Patti worked tirelessly to represent us and ensure that our first home buying experience went as smoothly as possible. Patti would always make herself available to answer questions and accommodate any requests that we had. She also made it a point to keep us constantly updated on the status of our first home purchase. I can honestly say that Patti was the sole reason why our first home buying experience was such an enjoyable one.

Without reservation, I highly recommend Patti Brainard to anyone looking for a home in the Cambridge area. If you have any questions please feel free to contact us through Patti.

Sincerely,

Carlo Soli, MD
